

HANSON *International* Advanced Driving School for 2025

The HANSON International Advanced Driving Schools are for any licensed driver who wants to improve their driving skills, knowledge, and vehicular control. We offer quality classroom and one-on-one in-car instruction. Our schools are one (1) day in duration and are held at the Canadian Tire Motorsport Park Driver Development Centre. They run from 8:00 am to 5:00 pm. We do not supply vehicles.

Lunch is included for all students. Lunch tickets are available for your guests at a nominal fee. If you intend on purchasing lunch tickets for your guests, please complete the Lunch Ticket Application Form. Lunch Ticket applications will not be accepted if received after the dates indicated on the application form.

To participate in our schools, you must provide a valid driver's license and a car/motorcycle helmet in good condition. We require your vehicle's brake fluid be changed within a month prior to our schools, and your tires to be in good working order with sufficient tread to operate safely for the duration of our school.

Convertibles are not permitted; unless equipped with Original Equipment (O.E.) rollover protection. On track, the convertible top must be in the "up" position or the removable components latched in place. If the open-top car does not have O.E. rollover protection, a roll bar or roll cage must be installed. In that case it can run with the top down with the removable components not in place. It is up to you to ensure that the roll bar or cage meets generally accepted standards for such equipment, such as those of CASC-OR.

The cost of each school is \$489.00 + HST.

Take advantage of discount pricing for purchases made in advance of the events:

\$430 - 6 weeks in advance

\$460 - 3 weeks in advance

\$489 - Regular Price

We also offer a special price for pre-purchasing all 4 events before April 11, 2025: only \$1600 for all 4 days! Don't miss out; Lock-in early and guarantee your spot at our events.

All students must pre-register. We will not accept non-pre-registered drivers on the day of the schools. Space is limited. If a school sells out, we maintain a waiting list.
